Plan my journey

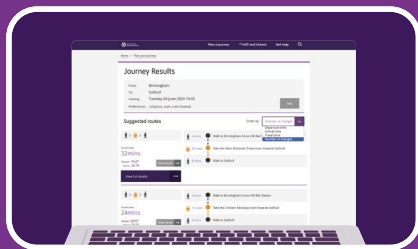

Enter where you're travelling from and where you want to go in the 'Plan your journey' box.

You can also add extra details like how you want to travel and the time you want to leave.

## Select 'Plan my journey'.

You'll then see a list of route options with departure times and estimated journey times. You can filter results to see the journeys that are the fastest, have fewer changes and less walking.

Simply choose the right route for you. Once you've chosen your route you can view more details and prices.

If it's easier, you can save or print off the directions.

Make sure you have the right ticket or fare for your journey and **you're ready to go.**

You can find best value fares by using the Transport for West Midlands ticket finder.
